

## **Colin Hansen**

Colin Hansen is Executive Director of Kansas Municipal Utilities, the statewide trade association representing 170 municipal electric, natural gas, water and wastewater utilities. Founded in 1928, KMU has its main office in McPherson, Kansas. Under Hansen's guidance the KMU staff has expanded from two to seven fulltime employees.

Prior to joining KMU in January of 2000, he served as the Assistant Executive Director for the Iowa Association of Municipal Utilities. He received a Bachelor of Science Degree in Mechanical Engineering from Iowa State University and a Masters Degree in Business Administration from Drake University.
